Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the Owner from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.

Alternate location(s) and method(s) of disposal may be proposed by the bidder, but the bidder shall be required to secure any required regulatory agency approvals for any alternate location.

A. GENERAL DESCRIPTION OF SERVICES TO BE PERFORMED

All hauling will be on an "as-needed" basis; any estimated quantities contained here-in are intended to assist the bidder in determining approximate extent of workload and prepare a bid. All sludge and solid waste is to be hauled from the CCUA treatment plant at 333 Water Street in Bridgeton to the appropriate disposal site.

Liquid sludge will be picked up from the sludge storage tank at the CCUA and transported in tanker trailers provided by the Contractor for delivery to the DELCORA sludge incineration facility in Chester, PA for disposal. Solid waste will be picked up in a 25 cy roll off bin at the CCUA and transported to the CCIA landfill on Jesse Bridge Road in Deerfield Township, Cumberland County.

B. QUALIFICATIONS

Hauler shall maintain all appropriate insurance, permits, and approvals as may be required to haul municipal sewage sludge or solid waste to the appropriate disposal location(s) for which a bid may be awarded. CCUA shall ensure that the material to be hauled is acceptable for disposal at the designated location, and that any containers provided by the CCUA have appropriate decals and registrations for the intended purpose.

Hauler shall be capable of providing tankers for vacuum loading sludge with an average solids content of 4.5% from the CCUA storage tank. Hauler shall be responsible for providing trucks capable of carrying the CCUA roll off bins and emptying them at the destination. If the hauler elects to use his own bins, an empty bin shall be left at the CCUA until such time as the next delivery is made.

C. SCOPE OF WORK

Work shall be on an "as needed" basis as agreed to by CCUA and the hauler, and subject to any scheduling limitations of the disposal site. There is no guaranteed minimum demand for service, although for any alternate disposal site proposed under C-4 below CCUA will guarantee a minimum of 100,000 gallons per month of liquid sludge.

1. Sludge Cake: Typically 2- 20 cy roll off bins per week. CCUA bins shall be used for hauling and returned when emptied. Delivery receipt and/or weight ticket(s), as required by the disposal site, shall be left with CCUA when bins are returned.
2. Liquid Sludge: Daily sludge removal is anticipated to be 2 tank trailers per day, using tank trailers provided by the hauler. A delivery manifest shall be required for each load removed. Expected need varies, but normally is required November through February.
3. Solid Waste: Typically 2-25 cy roll off bins per month, estimated maximum of 4 bins. CCUA bins shall be used for hauling and returned when emptied.
4. Alternate Sludge Disposal: Alternative disposal locations and methods (such as land application) are acceptable. Any proposed site must have appropriate permits in place to accept wastewater treatment sludge.

D. PAYMENT FOR SERVICES

Hauler shall submit to the CCUA a monthly invoice for services performed. The CCUA approves payment invoices the 3rd Thursday of the month; invoices must be submitted by the 5th day of the month and purchase orders signed and returned by the 10th of the month in order to be scheduled for payment at that month's meeting.

Invoices shall separate charges for hauling from any tipping or disposal fees at the respective disposal location. Disposal fees shall be passed through without markup. Where available from the disposal site, third party billing by the disposal site to CCUA is acceptable.

E. ALTERNATE DISPOSAL LOCATIONS

Disposal at any location other than specified above shall be subject to CCUA approval. If an alternate disposal location is approved, the hauler shall be responsible for securing any necessary permits or approvals for acceptance at the proposed alternate location.

F. AWARDING OF CONTRACT

Contract may be awarded to one or more haulers providing the lowest responsible bid for each service as outlined in section C above. Term of the contract shall be for two years starting June 1, 2017 to May 31, 2019 with a renewal option for an additional two year term.
